# GENERAL FUND BUDGET ACCOUNT CATEGORY DESCRIPTION

The General Fund Budget Account Category Descriptions are subject to change at any time depending on its application to the District. Please note, not all General Fund Budget Account Category Descriptions are applicable to the District indicated above. Uses of the descriptions contained herein are intended for general reference.

### **REVENUES:**

**Interest Earnings:** The District may earn interest on its monies in the various operating accounts.

**Tax Roll:** The District levies Non-Ad Valorem Special Assessments on all of the assessable property within the District to pay for operating expenditures incurred during the Fiscal Year. The assessments may be collected in two ways. The first is by placing them on the County's Tax Roll, to be collected with the County's Annual Property Tax Billing. This method is only available to land properly platted within the time limits prescribed by the County. The second way is by Off Roll collection.

**Off Roll:** For lands not on the tax roll and that is by way of a direct bill from the District to the appropriate property owner.

**Developer Contributions:** The District may enter into a funding agreement and receive certain prescribed dollars from the Developer to off-set expenditures of the District.

**Event Rental:** The District may receive monies for event rentals for such things as weddings, birthday parties, etc.

**Miscellaneous Revenues:** The District may receive monies for the sale or provision of electronic access cards, entry decals etc.

**Facilities Rentals:** The District may receive monies for the rental of certain facilities by outside sources, for such items as office space, snack bar/restaurants etc.

# **EXPENDITURES – ADMINISTRATIVE:**

**Supervisor Fees:** The District may compensate its supervisors within the appropriate statutory limits of \$200.00 maximum per meeting within an annual cap of \$4,800.00 per supervisor.

**Administrative Services:** The District will incur expenditures for the day to today operation of District matters. These services include support for the District Management function, recording and preparation of meeting minutes, records retention and maintenance in accordance with Chapter 119, Florida Statutes, and the District's adopted Rules of Procedure, preparation and delivery of agenda, overnight deliveries, facsimiles and phone calls.

**District Management:** The District as required by statute, will contract with a firm to provide for management and administration of the District's day to day needs. These services include the conducting of board meetings, workshops, overall administration of District functions, all required state and local filings, preparation of annual budget, purchasing, risk management, preparing various resolutions and all other secretarial duties requested by the District throughout the year is also reflected in this amount.

**District Engineer:** The District's engineer provides general engineering services to the District. Among these services are attendance at and preparation for monthly board meetings, review of construction invoices and all other engineering services requested by the district throughout the year.
